In the event that any part of this agreement is found to be invalid or unenforceable, the remainder of this agreement shall remain valid and enforceable. Any agreement to waive one or more provisions of this agreement or any failure by one or both parties to enforce a provision of this agreement shall not constitute a waiver of any other portion or provision of this agreement.

2. SERVICES TO BE PROVIDED

Kaiser Collective will provide RIG Gym with a complete digital growth package combining a custom-built website, a 24/7 AI calling agent, and ongoing local SEO over this contract period. RIG Gym have selected the **Foundation Package** outlined in more detail below. In the event that RIG Gym wants to upgrade packages, a new agreement will be formulated to reflect that change.

4. RESPONSIBILITY OF THE AGENCY

Custom Website Build & Deployment — Full design and build of RIG Gym's new website. Branded to RIG's palette and tone, mobile-optimised, hosted on Cloudflare Pages, fully indexable for SEO. Includes integration of all booking flows, contact paths, and the AI calling agent across every relevant CTA.

24/7 AI Calling Agent — An AI receptionist that answers every inbound enquiry instantly, books free trial sessions directly into the gym's calendar, answers membership and class questions, and follows up around the clock — eliminating the calls that go to voicemail in the average gym. Currently embedded in the website as a browser-based widget; transitions to a dedicated UK phone line once the Ofcom regulatory bundle has been approved. If Ofcom approval is not granted or is delayed beyond ninety (90) days from commencement, the AI calling agent shall remain available as the website-embedded widget for the duration of any such delay; this shall not constitute breach of this agreement.

Local SEO Maintenance — Continuous, ongoing optimisation of RIG Gym's positions in Google search results. Each month Kaiser Collective reviews ranking performance, identifies the highest-leverage opportunities, and applies the technical, content, and off-page work needed to keep visibility growing across the queries that matter most to RIG Gym's customers. The work compounds over time, with rankings strengthened cumulatively rather than through one-off pushes. RIG Gym receives a monthly summary of ranking movement and inbound traffic from organic search.

Monthly Performance Review — A scheduled review covering inbound call volume, trial bookings, SEO ranking changes, and prioritised recommendations for the following month.

5. RESPONSIBILITY OF THE CLIENT

RIG Gym acknowledges the responsibility for the following:

- Maintain consistent communication
- Provide timely access to brand assets, accounts, and approvals required for the work
- Maintain professionalism and assist with content gathering or production where reasonably needed

- Pay all invoices on time

6. DATA BACKUPS

After the project is delivered, the relevant files (website source code, agent configuration, knowledge base, and SEO audit reports) will be uploaded and shared with RIG Gym. Kaiser Collective guarantees they will be backed up and retrievable.

7. REVISION ROUNDS

The contract will include the standard allocated amount of revisions offered by Kaiser Collective of 1 set per project, per month. If RIG Gym wishes to make a revision following live website content or agent behaviour, they must in writing provide as much detail as possible of the changes to be made. "1 set" is equal to a 1-hour meeting. Kaiser Collective will advise accordingly on what is possible given their expertise. Any revisions made outside of the allocated set can be subject to a charge of £60/hour.

8.0 TERM AND TERMINATION

8.1 TERM

This contract shall become effective when all parties have signed and shall run for a minimum committed term of **twelve (12) months** from the date of signature. After the initial twelve-month committed term, the agreement continues automatically on a month-to-month basis until terminated in accordance with section 8.2.

8.2 TERMINATION

After the initial twelve-month committed term, either party may terminate this agreement with thirty (30) days' written notice. Upon termination, RIG Gym shall be responsible for any unpaid fees for services already performed and any outstanding expenses. Termination during the initial twelve-month committed term requires the remaining months of the retainer (at £150 per month) to be paid in full.

9. CONFIDENTIALITY AGREEMENT

Both parties agree to keep confidential any information, data, or materials that are proprietary or sensitive and not to disclose such information to third parties.

10. INTELLECTUAL PROPERTY AND OWNERSHIP

On full payment of all fees due under this agreement, intellectual property rights in the bespoke deliverables produced for RIG Gym — namely the website source code, AI calling agent configuration, knowledge base content, and SEO audit reports — transfer to RIG Gym. Underlying Kaiser Collective tooling, scripts, methodologies, and proprietary frameworks used to produce those deliverables remain the property of Kaiser Collective and are licensed to RIG Gym solely for use in connection with the deliverables produced under this agreement.

11. DATA PROTECTION AND PROCESSING

In delivering the services under this agreement, Kaiser Collective will process personal data of RIG Gym's customers and prospects (including names, contact details, and call recordings or transcripts) on RIG Gym's behalf. RIG Gym is the Data Controller; Kaiser Collective is the Data Processor as defined under the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

Kaiser Collective shall: (a) process personal data only on RIG Gym's documented instructions and solely for the purpose of delivering the services; (b) implement appropriate technical and organisational security measures; (c) maintain a current list of sub-processors and notify RIG Gym of any material change with reasonable advance notice; (d) notify RIG Gym without undue delay (and in any event within seventy-two (72) hours) on becoming aware of a personal data breach; and (e) on termination of this agreement, return or securely delete all personal data within thirty (30) days unless retention is required by law.

RIG Gym shall ensure that any personal data shared with Kaiser Collective has been collected on a lawful basis and that the relevant data subjects have been informed of the processing in accordance with UK GDPR.
